ONLINE TRADE SHOP

Link your trade account to your online login and enjoy fast, seamless online ordering anytime.

Designed with installers in mind, our online webshop lets you purchase architectural hardware effortlessly, wherever you are.

With an online trade account you can:

- Enjoy exclusive trade pricing with discounts off standard list rates.
- Place orders online 24/7, anytime it suits you.
- View and manage all current and past orders in one convenient place.
- Choose Click & Collect or Direct Delivery to site.
- Claim an extra 5% savings at checkout — simply enter “5%” in the unique code box to apply your instant online discount.

FAST, RELIABLE SUPPLY & DELIVERY

We provide project certainty through strong product availability, efficient fulfilment and dependable logistics.

With ENTRO’s distribution network and trusted partners across Australia and New Zealand, we ensure hardware is delivered quickly, reliably and supported locally.

As our regional capability continues to grow, our team remains responsive from specification to installation — helping ensure successful outcomes on every project.

TESTING, COMPLIANCE, AND WARRANTIES

Rigorous testing and compliances ensures generous warranties are in place to cover all the possibilities.

Rigorous testing and compliance is conducted

ENTRO hardware complies with all building, life-safety, and accessibility codes and carries the necessary certification for occupancy approvals.

To ensure consistency is maintained, a quality control process is in place with a high proportion of products being tested for fire, durability, and security performance. This enables us to offer an extended 25 year warranty on key products

 DDA Compliant AS1428.1
  Fire Rated AS1530.4
  25 Yr Warranty

Generous 25 year warranty periods deliver long-term peace of mind

We guarantee the performance of our products to give you long-term peace of mind. If any product is found to be defective, we will replace or repair the item free of charge.

The ENTRO Product Warranty Period is a 25 year warranty on key products.

ENTRO Product	Warranty Period
Locks & Latches (A0100, A0400 & A4000 series)	25 Years
Door furniture (B0100, B2000, B3000 & B7000 series)	25 Years
Door controls (D1200, D1300, D0600, D0700 & D0450 series)	25 Years
All other ENTRO products	10 Years

PRODUCT CUSTOMISATION

- Custom Entrance Handle Sizing & Designs
- Timber Stain Finishes
- Leather Wrapping Services
- Lever on Plate Configurations
- Special Colour Finishes
- Custom Braille & Statutory Signage
- Door Protection Kickplates Cut-to-Size

All custom products are designed to comply with the relevant building codes and certificated without substituting design or quality. Each ENTRO product is manufactured from high grade materials including premium stainless steel or sustainable plantation grown White Oak and finished to the highest level by our skilled craftsmen. Individually assembled and finished by hand, our dedication to craftsmanship is evident in each product we manufacture.

ENTRO's superior service and support makes the difference

When custom made, premium doorware is paired with impeccable support - the possibilities are endless.

From single product solutions to full project hardware specifications, the ENTRO dedicated hardware consulting team is here to help you navigate the specification process with our complimentary architectural hardware consulting service.

You have access to all the personalised product support and advice that your project requires.

Whether you are looking for a single product solution or a full project hardware specification, ENTRO is always ready to assist.

Our services include but not limited to:

- Product knowledge and advice
- Project hardware specifications
- Compliance, building, life-safety, and accessibility code advice
- Budget preparation
- Cross checking door types and frames
- Project management support
- Job Site reviews and pre and post installation inspections
- Variation reporting
- Promaster keying schedules
- Customised product design on selected products
- In-house colour finishing services

MASTER KEYING

Trusted first line of security.

ENTRO master keying systems are widely trusted by clients as the first line of security for various projects.

The Security Edge master key system features keys with unique side cuts that align with a sidebar in the cylinder for enhanced protection.

When the correct key is inserted, it matches the sidebar, allowing the lock to open.

The cylinder also includes a 6-pin inline keying system reinforced with a hardened pin to resist drill attacks. This advanced combination ensures superior security.

A keying schedule is developed to ensure relevant parties—such as Body Corporate, Building Managers, and Owners—have access to their respective areas.

Dual Fix

The dual fix range has been developed to provide a stylish and sturdy option for your bathroom accessories. Combined with a strong fixing bracket the 'dual fix' grub screws give double strength to ensure the product is securely fixed to the bracket.
